1 The local sales and use tax for transit purposes may be imposed by cities, counties, or public transportation benefit areas (PTBAs), which may include cities as well as unincorporated areas, if approved by voters of the district. Amounts reflect actual distributions after deducting 1.0% of collections for state administrative expenses.

2 Current local tax rate as of January 2003. Rates may range from 0.1% to 0.9%.

NOTE: This table does not include local sales/use tax for high-capacity transportation systems. The RTA currently levies a tax of 0.4% in parts of Snohomish, King and Pierce counties.
